

Appln. No. 10/632,352

Attorney Docket No. DKT91043H

**II. Remarks**

Claims 108 – 127 and 129 - 138 are pending in the application. Reconsideration and reexamination of these claims is respectfully requested.

***Notice of Non-Compliance***

The Notice of Non-Compliant Amendment indicated that not all of the claims were referenced in the "Listing of the Claims" section, and particularly that claims 1 – 81 were omitted. Provided herein is a corrected version of the non-compliant "Listing of Claims" section.

The remaining sections of the prior response remain unchanged and consideration thereof is respectfully requested.

In view of the above remarks, Applicants respectfully submit that the objections and rejections should be withdrawn. Since no rejection of the claims has been made on prior art grounds, it is also submitted that the claims are now in allowable form, and allowance of the claims is therefore requested. If the examiner believes a telephone conversation would expedite this application, the examiner is invited to contact the undersigned attorney at 734-302-6038.
